CHILDREN'S LEISURE ACTIVITIES IN *Elgoibar*

Why should children join in?

RIGHTS

Because it is every child's right to have access to activities that meet their needs and desires; activities that are healthy, physically as well as mentally and socially.

INDEPENDENCE

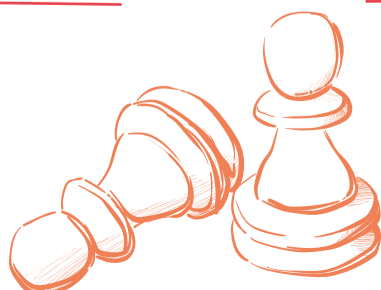

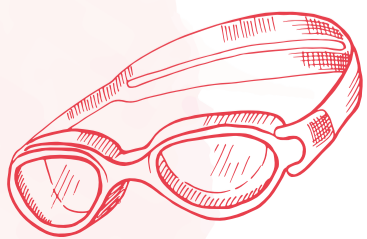

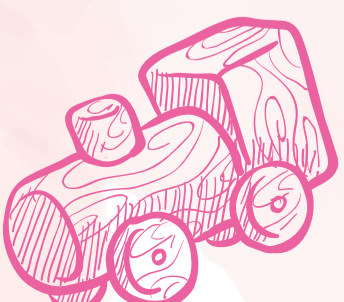

Because they acquire skills and values that allow them to become active and independent citizens.

EXPERIENCES

Because they offer life experiences that are so essential for the development and lives of children.

FRIENDSHIP CIRCLE

Because they learn to live together, respect each other, listen to each other and work as a team.
